## Afterword Translation Notes:

### Afterword

That was *I'll Never Send Another Selfie Again!* volume 6. Thank you so much for picking it up!

Between our star couple's sudden intimacy, the appearance of the mysterious underclassman Tohko, and the whole panties saga, this volume has certainly been unique! I drew a lot of things I'd never really drawn before, and to be honest, working on it was a ton of fun!

I wonder if Tohko will ever let anyone see her own selfies...  
And, of course, look forward to further developments between Himari and Eisuke!

Takeya Takekake

P.S.:

Don't tell anyone, but I really enjoy drawing underwear...
